Principles for Christian...

Principles for Christian Studenting, Living, and Adulging... are our 3 Wednesday evening series specifically designed to help students navigate the joys and difficulties of university life. We will be tackling lots of topics unique to students from a Biblical perspective and trying to help one another prepare to live for Jesus in these areas.

We meet 7 times a term on Wednesdays at 7:30pm for dinner and discussion about life during uni. Each year group gets a term. Make sure you get the dates in your diary so you don't miss your seat at the table!
